Through the tremendous kindness and generosity of St. Francis parishoners, the St. Vincent de Paul Society was able to continue its good works which includes providing emergency food hampers, furniture and housewares for the less fortunate within our parish; offering assistance for the Nutrition for Learning Program and giving a child the opportunity to attend summer camp.

In addition to your financial support, you the parishoners donated 2,950 pounds of food through our food drives plus St. Paul's School collected 801 pounds for a total of **3,751 pounds of food**. This supplements what we receive from the Food Bank. We thank you sincerely for all you do. **Without you, our work would not be possible.**
